

- When you receive the Presto Printing Mailbox all you need to do is...
 - Take it out of the box
 - Plug in the telephone cable (included)
 - Snap in the ink cartridge (included)
 - Put in plain paper (included)
 - Plug into a power outlet
- In a few minutes, the Printing Mailbox will connect and print out some welcome pages and any letters that might be waiting for you.
- There is nothing for you to learn. All you will have to do is pick up the letters when they print out from your family and friends. People who write you letters will send them from their computer. You will receive a special "e-mail" address for them to send to. Whoever gave you this gift will set up your e-mail address and help.

Information about your new Presto Printing Mailbox:

- Other fun features:
 - You can receive free subscriptions to newsletters from many prominent personalities like Andy Rooney, Wolfgang Puck, plus daily puzzles, crossword, sudoku or jumble.
 - By having your own e-mail address, friends and family can send you letters, photos or documents they find or create.
- Nice to know:
 - You'll never receive unwanted phone calls. Your Printing Mailbox dials out multiple times a day to receive mail.
 - Only people on a list of approved senders can send you mail. You can add or delete people from this list easily yourself.
 - Tens of thousands of people just like you have Printing Mailboxes today and they love how easy they are to use.
